

## All Inclusive Self-Payer Pricelist

### SELF-PAYER PRICES TERMS AND CONDITIONS

- These prices are based on standard surgical procedures. Where clinical indication dictates further diagnostic or surgical intervention, additional costs may be incurred by the patient.
- The prices enclosed include the hospital technical fee and all professional fees for the hospital admission.
- This pricelist excludes any outpatient consultations or other costs that may be incurred outside of the hospital admission.
- For quotation on procedure codes not included on our pricelist, we advise a patient does the following:
  - Confirm the procedure name and code with Consultant Secretary.
  - Contact Aut Even's patient accounts department on 056 7775194 to obtain an all-inclusive procedure cost.
- Day Case costs include treatment in a day case setting only. In Patient procedure costs are applicable to each procedure and are based on Aut Even's average length of stay and consultant protocols.
- Minor paediatric procedures are permitted for children over 2 yrs. More invasive procedures are permitted for children over 5 yrs.

\* *These procedures may incur additional costs for essential diagnostic testing.*

\*\* *Excludes balloon insertion (€1,050 additional cost).*

Health expenses may be claimed from the Revenue at the end of each calendar year using a MED 1 Form or online on [www.revenue.ie](http://www.revenue.ie)
